POTSDAM

SUBJECT: Reconstruction and Expansion of the SCHEFFELD
Airfield.*

In compliance with Order No. 116, dated 16 May 1947, and
issued by the Supreme Chief of the Soviet Military Administration
for Germany I herewith give the following orders:

1. To the Minister Resident of the Province of Brandenburg,
Dr. STEINHOFF:**
 - a. A special construction bureau will be established by
25 May 1947 for the execution of the designing
and construction in connection with the expansion of
the airfield;
 - b. The necessary labor will be provided according to
the requirements of the construction bureau;
 - c. The reconstruction and expansion work will be executed in
conformity with the work plan attached as Annex 1
and will be completed by 1 December 1947 at the latest.
2. The German technical personnel and workers directly employed
for the execution of the construction work will be granted
rations according to the norms for workers of the first cate-
gory valid in BERLIN; the technical personnel and workers will
be granted, on working days, additional food allowances accord-
ing to the norms laid down in Annex 2, and as an incentive
for their efficiency special grants of tobacco will be made
available.
3. To the Chief of the Agriculture Division, Gds Lt Col TROYANOV,
that he carry out the requisitioning of the portions of land
to be added to the airfield in conformity with the construc-
tion plans against a corresponding compensation of the owners
concerned by assignment of one hundred acres of land to be
placed to the account "Land" of the UTDP (?) Division of the
Group of the Soviet Occupation Troops in Germany.
